

NOTES:

1. All dimensions are inches [millimeters].
All dimensions are $\pm 1/2"$ [13mm]. Metric values are soft conversion.
2. All drawings subject to change without prior notice.
3. All coil connections are ODM copper sweat unless noted otherwise.
4. Heating-only units may not include a drain pan. See actual order documents.
5. Field piping should be based on individual job requirements, not unit connection size.
